Malvina Reynolds

Hello ladybug, little lady, ladybug
Hello ladybug, my little friend
Eating up the crawlers that eat up my roses,
Fly around ladybug, come back again.

Hello wiggle worm, little wiggle, giggle worm
Hello wiggle worm, my little friend
Churning up the ground so the roots can go down
Wiggle wig, wiggle worm; come back again.

Hello buzzy bee, little buzzy, fuzzy bee
Hello buzzy bee, my little friend
Carrying the pollen that makes food and flowers
grow
Buzz around buzzy bee - come back again.
