

Mr. Spaceman

Chorus:

*Hey, Mr. Spaceman
Won't you please take me along
I won't do anything wrong.*

*Hey, Mr. Spaceman
Won't you please take me along for a ride.*

I woke up this morning with light in my eyes
And then realized it was still dark outside.
There was a light coming down from the sky
I don't know who or why

Chorus

Must be these strangers that come every night
Their saucer-shaped eyes put people up tight
Leave little green footprints that glow in the dark
I hope they get home all right.

Chorus

I woke up this morning I was feeling quite weird
I had flies in my beard; my toothpaste was smeared.
Over my window they'd written my name
They said, "so long, see you again!"

Chorus
