

# Pizza

What's made of dough and tomato sauce and lots and lots  
of cheese?

Onions, green peppers and mushrooms and olives and  
sometimes all of these.

They roll the dough out flat

Then toss it in the air

It's almost always round

But sometimes it is square.

Chorus: It's a pizza; it's a pizza

Mamma mia pizza pie

It's a pizza; it's a pizza

Mamma mia pizza pie

It's a pizza; it's a pizza

Mamma mia pizza pie

When Mom has had a long day

And says she's feelin beat

When Dad is sick and tired of cooking

And wants to go out to eat

Do we go for burgers

Or that place that serves buffet?

Or do we say, "Let's have the same thing we had  
yesterday?"

(Chorus)
