

CIRCLES

See the sun up in the sky
Well it's a circle

See the hula hoop roll by
Well it's a circle

See the sun up in the sky
See the hula hoop roll by

Round as a fresh baked apple pie
Yes it's a circle.

See the wheel on the roller skate
Well it's a circle

See that cookie on that plate
Well it's a circle

See the wheel on the roller skate
See that cookie on that plate

Boy that cookie sure tastes great
And it's a circle.
