

# Leprechaun Song

Did you ever see a leprechaun?  
With his boots and his green hat on?  
In the middle of the day  
He will surely run away  
But at night he likes to linger on.

Sitting by the campfire bright  
Singing songs in the magical light  
If you creep too near  
He will surely disappear  
So you better stay out of sight.

I'd like to catch a leprechaun  
Although I never did  
I'd put him in a little jar  
With a hole punched in the lid  
POP!
