

# Cat Song

Can you see in the dark - when it's black as coal? NO!

Neither can I - but my cat can!

Can you stare without blinking for over an hour? NO!

Neither can I - but my cat can!

Can you shimmy to the tree top - in two seconds flat? NO!

Neither can I - but my cat can!

Can you fall 20 yards and land on your feet? NO!

Neither can I - but my cat can!

Cause she's an acrobat, an aristocrat, she acts like a spoiled brat.  
She hides my socks, and hides my hat and a whole lot more than  
that.

Can you purrr like a motor and not use your mouth? NO!

Neither can I - but my cat can!

Can you walk on dry leaves and not make a sound? NO!

Neither can I - but my cat can!

Can you file your nails - by scratching on a tree? NO!

Neither can I - but my cat can!

Can you stand up to a dog 10 times your size? NO!

Neither can I - but my cat can!

Cause she's no scaredy cat, no diplomat who'll chit chat or chew the fat.  
She makes my home her habitat and keeps it clear of mouse and rat.  
That's my song about my cat! That's that!
