

Deep, Deep

Chorus:

We say it deep, deep

We say it down, down

We say it deep down in our hearts.

We say it deep, deep

We say it down, down

We say it deep down in our hearts.

We'll make sure peace and justice ring, deep down in
our hearts.

We'll make sure peace and justice ring, deep down in
our hearts.

(Chorus)

We're trustees of this sacred earth deep down in our
hearts.

We're trustees of this sacred earth deep down in our
hearts.
