

My Aunt Came Back

Oh, my Aunt came back

Oh, my Aunt came back

From old Japan

From old Japan

And she brought with her

And she brought with her

A waving fan

A waving fan

Oh, my Aunt came back (echo)

From Holland too (echo)

And she brought with her (echo)

A wooden shoe (echo)

And a waving fan (echo)

Oh, my Aunt came back (echo)

From Guadaloop (echo)

And she brought with her (echo)

A hula hoop (echo)

And a wooden shoe (echo)

And a waving fan (echo)
