

Weave, Me the Sunshine

CHORUS (sing twice):

Weave, weave, weave me the sunshine

Out of the falling rain

Weave me the hope of a new tomorrow

Fill my cup again....

Now if only I could heal your sorrow

Fill my cup again

I'd help you find your new tomorrow

Fill my cup again.

-CHORUS-

Only you can climb that mountain

Fill my cup again

If you want to drink from the golden fountain

Fill my cup again.

-CHORUS-
